* Monthly Lease Payment subject to 3rd party leasing terms and conditions. Rates are subject to credit history. The Lease divides the cost of purchasing hardware over a 60 month period (plus financing) beginning 30 days after hardware shipment, refer to your service agreements for rates, final purchase price is \$1 except in CA where the lessee has the option to purchase the equipment at the end of the lease term for the fair market value. (Your service agreement will be confirmed via DocuSign requiring electronic signature before USAT ships the equipment). The Lease can be purchased outright at any time by contacting your Sales Representative.

** Monthly Service Fee: Covers wireless connection, USALive backend reporting features, and 24/7 tech support/consumer services, refer to your service agreements for rates.
